

THE 1973 GRADUATING CLASS OF HAMLIN HIGH SCHOOL
... 64 seniors to receive diplomas Friday

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

About this time year after year this nation turns loose another crop of high school seniors on the world and each year someone gets up and tells them of the many challenges that lie ahead for them. And this year will be no exception.

Hamlin graduates, like graduates across the land, will be told this week that their future is in their own hands. And we hope for their sake that this is still true.

With the war more or less ended that has plagued this nation for the past eight or ten years one would think that the current high school graduates would have the world on a downhill run.

But we are afraid that this is not the case.

We do not know if the problems facing this graduating class will be any greater than what the classes before them faced or not. But we do know that in many ways their problems will be different.

During the past few years we have gone through a period that might well be called the era of the Ralph Naders. We have had more than our share of people finding fault with the world but very few that have come up with workable answers to these problems.

We have had a surplus of people pointing out the problems of pollution, ecology, consumerism, etc. But now we are faced with what to do about the energy crisis that has developed in the wake of the "solutions" to the above problems and are now faced with shortages in almost every area of our economy.

It is likely that the biggest challenge facing all of us and this includes today's graduates as well as the graduates to be for the next several years will be how to find a balance between the world as we would like for it to be and the way it is.

But what really bothers me more than anything else is how few of these graduates will ever really become involved in the problems of their community, state, nation or world. At least this will be true if this year's seniors are anything like those who have gone before them.

All too many of this world's citizens never really get involved in the problems facing mankind. Far too many take that old attitude of "let George do it." For too many live in their own little world of five dream world.

This is the real challenge that faces this graduating class and all the classes that have come before and those that will follow. This will never be a better world to live in until more people become involved in trying to make it better.

Now to balance out this

Judge McCloud to Speak To HHS Graduates Friday

Austin McCloud, Chief Justice of the Court of Civil Appeals, Eastland, will be the speaker for Hamlin High School commencement exercises Friday at 8 p.m. in the high school cafeteria.

Judge McCloud is a graduate of Texas Tech University and Baylor University School of Law. He also is a graduate of various legal seminars including National College of State Trial Judges, University of Nevada, and Appellate Judges' Seminar, New York University.

He has been active in many church, community and professional organizations. Presently he is serving on the Executive Committee, Judicial Section, State Bar of Texas, and as President of the Board of Directors, West Texas Rehabilitation Center. He is past president of West Texas Girl Scout Council and past President of Law Enforcement Coordinating Board, West Central Texas Council of Governments.

Marilyn Stewart will play the processional.

The invocation will be given by The Rev. Johnnie Williams, pastor of the First United Methodist Church.

Richard Wallace, salutatorian, will give the welcome.

The 64 graduates will be presented awards and diplomas by B. V. Newberry, principal; Bob Hawes, superintendent; and W. T. Johnson, president of the board of education.

Frank Willis, Senior Class president, will make the presentation of the class gift. Valedictorian Terri Casey will give the farewell message. The singing of The Piper Song will conclude the program.

Baccalaureate services for

with the Rev. Howard Jones, pastor of First Baptist Church as the speaker.

Marilyn Stewart was pianist for the processional and recessional.

The invocation was given by W. H. (Gene) Johnston, minister of the Hamlin Church of Christ.

Special music was presented by the Sound of Celebration under the direction of Lynn Mink. They sang "My God and I" and "Behold He Cometh."

The scripture reading was by the Rev. Leo F. Scott, pastor of Oak Grove Baptist Church. The Rev. Marshall Stewart, pastor of the Church of the Nazarene, gave the benediction.

Honor graduates are Rickey Gruben, Ken Shira, Wallace, Frank Willis, Miss Casey, Carolyn Clawson, LaVona Harendt and Debra Woolf.

Bill Grissom to Direct Summer Youth Program

The Hamlin Board of Community Development approved plans for a summer recreation program for the youth of Hamlin with Bill Grissom, high school coach, as director. He will be assisted by Dana Wright, who will be directing arts and crafts.

Letters will be mailed to all school age children to determine their interests.

The program will be from June 4 to July 29. A city-wide picnic will be held July 29 to climax the four-week program.

The recreation program is free to the youth. Money for the program is obtained from the

sale of waste paper which is collected at the BCD Office and sold to Celotex Corp.

There will be a charge for swimming and twirling lessons which will be available if enough interest is shown.

Woman's Forum Receives FFA BOAC Award

The FFA Building Our American Communities (BOAC) Award was presented to the Woman's Forum by the local Future Farmers of America Chapter "For outstanding service in making our community a better place in which to live and work."

The Woman's Forum is the governing body for Harden Memorial Library and supervises its operation. Representatives of all women's clubs comprise the Forum.

The library is open from 3:30 to 5:30 p.m. Monday through Friday and offers service free to patrons. Each person who uses the library fills out a card and books are checked out for a period of two weeks.

A service also offered by the local library through librarian Ivie Ponder is the loan service through Abilene Public Library and Texas Library Services. College students here for the summer needing additional reference material or assistance may contact Mrs. Ponder.

City Accepts Bids On Paving Project

The City Council voted Tuesday evening to accept the low bid of Abilene Paving Company and set June 18 as the date for a public hearing on assessing the paving costs to the property owners involved. Abilene Paving was the lowest of four bids submitted and was for \$79,079.90 for the 13 and one-half blocks in the project.

In other action the council accepted the low bid of Albritton Motors for a 1973 Chevrolet half-ton pickup. The low bid price was \$3,279.90.

In the process of combining the city and school tax assessor offices, the council adopted a resolution setting the city property on the same market values as being currently used by both the school district and the county. At the same time the council voted to increase the percentage of valuation from 36 percent to 50 percent and lower the rate accordingly. This will bring the city's values and percentages in line with the school and make it easier to combine the two offices, Mayor Joe Ford pointed out.

The council also voted to charge a \$15.00 deposit on water and sewer connections instead of charging one month in advance as has been the practice in the past.

James E. Rodgers, CPA, was rehired by the council to audit the city's financial records again this year.

Under the paving project accepted by the city council here Tuesday evening the

property owners will be charged \$10.37 per running foot for curb, gutter and paving. Those with existing curb and gutter will be charged \$8.02 per foot for the paving.

Second high bid submitted on the paving was \$83,423.30 by Bontke Brothers Construction of Abilene. Pioneer Construction Co. of Abilene bid

\$88,179.80 and Zack-Burkett Co. of Graham was high with \$101,361.30.

The paving will be hot mix asphalt concrete rather than asphalt penetration as has been used in the past. This, it was pointed out, is the same type used by the Highway Department on both Central and Lake Drive.

House Passes Hospital Bills

The Texas House of Representatives gave approval to the three Jones County Hospital District bills Monday evening. The bills are now on the Governor's desk. All three bills require local option election to create the districts.

The elections will be called by the temporary directors named in bills if and when the bills become effective. In both the Hamlin and Stamford bills the temporary directors are named in the bills and in the Anson district's bill, the Governor must name the directors.

All three bills by Senator Jack Hightower received Senate approval earlier in the session and were approved by the House Committee last Tuesday.

Eighth Grade Graduation Exercises Set Today At 3

Graduation exercises for the eighth grade will be held at 3 p.m. Thursday (today) in the Public School Auditorium. Diplomas will be presented to 71 students.

Lisa Howard will play the processional. The invocation will be given by Terry Mink.

Announcements will be given by Marvin Carlton, junior high principal.

Special music will be presented by the eighth grade girls.

Merid awards and diplomas will be presented by Marvin Carlton and W. T. Johnson.

Mary Margaret Turner Honored With Gift Tea

Mary Margaret Turner, bride-elect of Bobby Lynn Reed of Mexia, was honored Saturday with a gift tea in the home of Mrs. Hollis Madden.

Guests were greeted by Mrs. Madden and her daughter, Mrs. Billy Joe Wilson, and presented to the honoree, her mother, Mrs. J. C. Turner; and mother of the prospective bridegroom, Mrs. B. V. Reed of Mexia.

Special guests included the honoree's grandmothers, Mrs. John Turner and Mrs. J. M. Williams, two aunts of her fiancée's, Mrs. Hazel Fitzgerald and Mrs. J. B. Bryan, and Loretta, Diane and Mark Bryan, all of Lubbock.

The honoree's sister, Mrs. Mike Field, poured. The polished table was centered with an arrangement of yellow roses in a silver bowl. Other appointments included silver punch service, silver candleabra and crystal.

Mrs. Joe Sublett of Baton Rouge, La., registered guests. Other hostesses were Mmes. B. A. Cumbe, Edgar Duncan, L. J. Cunningham, Leldon Clifton, B. V. Newberry, LaFoy Patterson, Johnny Jeffrey, Nelson Shave, Robert Cary, W. L. Hunter, C. R. Reynolds Jr., Bob Craig, Lawrence Shivers, Johnny Steele, Albert Haught, Joe Hudspeth, Pat Willoughby, W. W. Wallace, Cliff Crowley, Sublett, and Jack Townley.

The couple will be married at First Baptist Church June 16. Other parties in the series of pre-nuptial compliments to the couple include luncheons in Dallas, a poolside party in Dallas and a gift tea in Mexia. Mrs. Charles Carver of Dallas hosted a luncheon with Dallas friends of Miss Turner as

guests. Tables were decorated with yellow baskets of spring flowers.

A poolside party at the home of Mr. and Mrs. Jack Anderson and Miss Sally Anderson in McKinney honored the couple. Floating magnolias adorned the tables.

Mr. and Mrs. J. C. Turner, Mrs. Mike Field of Lubbock and Mr. and Mrs. B. V. Reed of Mexia were guests. Other couples were from Houston, Dallas, Waco, Bryan and Ft. Worth.

Miss Marilyn Murphree and Miss Sally Anderson, both of Dallas, and Mrs. Bob Smith of Richardson hosted a luncheon when friends of the bride brought recipes and an ingredient. Tables were decorated with yellow and white daisy arrangements.

Mrs. Joe Cannon's home in Mexia was the scene for a gift tea attended by guests from Houston, Huntsville, Bryan, Waco, Groesbeck, Nacogdoches, Colidge, Fair Oaks and Mexia.

In the receiving line with the honoree were Mrs. Turner and Mrs. Reed. Her sister, Mrs. Field, served in the houseparty.

Farewell Gathering To Honor Two

Mrs. I. J. Starr and Mrs. Georgia Gilbert will be honored at a farewell gathering at 3 p.m. Sunday afternoon at Oak Grove Baptist Church. Friends will host the event in the Fellowship Hall.

The public is cordially invited.

HONORED AT RECEPTION — Mrs. Fred Smith, left, receives a plaque from the Hamlin Board of Education presented by Bob Hawes, superintendent, at the reception in her honor Sunday afternoon at the primary cafetorium. The plaque was given in appreciation of 29 years of service to the local school system. Other teachers who are retiring recognized at the reception are from left, Mrs. F. F. Shout, Mrs. Charles Scott, Mrs. I. J. Starr, Mrs. Willard Maberry and the tax assessor-collector Haskell Carter. The teachers and Mrs. Carter represent 127 years of service in the Hamlin schools and a total of 221 teaching and service years.

NEWS FROM . . . Sylvester

By MRS. R. M. BABB

A beautiful morning after 2 in. of rain, with high wind and some hail between Hamlin and McCaulley last night about 10 p.m. I've got clipped places on my windshield to prove it. If it had all been the size of some that fell it wouldn't just be the windshield.

Our sympathy to the family of Willard Dickey who was buried last week in the cemetery here at Sylvester. He had lived here many years ago.

Milo Gray wishes to thank Blackie Ford, Randy Kelly and Mr. Adair for their help after working hours last week. They used equipment to move a building out to the cemetery. Seems there was a good crowd and a lot of work was done.

Our sympathy to the family of Mrs. J. E. Tindall, who passed away on Sunday. She had lived here in town for several years.

Most of our schools are out for the summer; however I noticed in the Sunday paper where a school would start on August 20.

We visited with "Aunt" Mary Jones one day last week. She is doing pretty well and says to tell every one "hello" for her.

I visited the Fisher County Nursing Home last week with Mrs. Neda Kiser, Mrs. Eva Stephens and Mrs. Myrtle Edwards. They were doing well at the time. I also said "hello" to Mr. Homer Lawlis.

Mr. and Mrs. James Rombokas of Lewisville.

Dr. Curtis Driver, pastor, officiated at the 9:30 a.m. ceremony.

The reception followed in the church parlor hosted by the bride's parents.

After a trip to Austin and surrounding area the couple moved to 2111-A Main Street in Lubbock.

The bride is a graduate of Hamlin High School and senior at Texas Tech University. She has been a member of Women's Service Organization for two years.

The bridegroom, a graduate of Bossier High School received a bachelor's degree in education this spring. He was on dean's honor roll for three years and member of Phi Alpha Theta, NEA and TSTA. He is employed by Texas Tech Food Services and will teach in Lubbock schools in the fall.

Visitors in the home of Mr. and Mrs. G. W. Kincaid last week were their son and his wife, Mr. and Mrs. Jim Kincaid of Raleigh, N. C., and a sister-in-law, Dr. Murdina M. Desmond of Houston.

FROM THE FILES . . .

FIFTY YEARS AGO
(May 18, 1923)

Something like two weeks ago the Hamlin School Board held its annual re-organization meeting. At that time four new members were initiated and W. A. Albritton was elected president and J. V. Milsap as secretary. At that time no further steps were taken as to a new year's work.

One of the prettiest manufacturing plants to be found in Texas is now beginning operation at the plant of the West Texas Utilities Co. in Hamlin. The construction of this plant and office has been going on for several months. They began pulling ice Monday, turning up the machinery and testing the freezing points and lining up everything for a long and hot ice season. The Hamlin plant is known as the Raw Water High Pressure Air System, using undistilled water. Before the water is reduced to ice, it is tested and chemically treated, making it almost soft and very clear and pure. Everyone in Hamlin is proud of the ice plant and thinks it is the best in Texas.

Arrangements have been made to work East Cemetery next Tuesday, May 22. There will be dinner for all workers. Please come and bring hoes, rakes, plows and teams and a basket full of dinner.

TWENTY YEARS AGO
(May 22, 1953)

The annual father-son banquet of the Hamlin chapter of the Future Farmers of America last Friday evening turned out to be an informing and entertaining affair when nearly 100 boys, their dads and friends ate a barbecue supper, listened to music, reports and talks and saw pictures of club work in the high school cafeteria. Larry Dooley, Anson FFA advisor, showed colored movies of club boy activities of the county, including some pictures of Hamlin FFA boys.

Hamlin area old-times are being invited to attend the annual reunion of old settlers in Jones County next Thursday, May 27, at Anson. The pioneers will gather at the memorial hall, one block east of the post office.

One Hamlin area club boys was among the Jones County clubbers awarded Sears Foundation swine Saturday morning at Anson. Each year the foundation awards eight registered Duroc gilts and one registered Duroc boar to 4-H Club boys in the county. To enter the program the boys write a theme on swine production. Winners are chosen on the basis of their themes and on the facilities they have to raise hogs.

Two more new wildcat oil wells were staked this week in the Hamlin area to maintain steady pace of drilling in the section that promises to break drilling records for the year.

TEN YEARS AGO
(May 16, 1963)

Thirty-nine members of the senior class left Hamlin Tuesday at 1 p.m. for the annual trip to New Orleans, La. They were to board chartered buses in Anson at 1:30.

The Rebels, local women's softball team, started their season off with a

high scoring game Tuesday night at Roby. The Rebels, with home runs by Mrs. Roy Thompson and Mrs. Jerry Pritchard, downed Roby, 20-3. These two teams will play again next Tuesday at Roby.

The local girls basketball team elected captains for the 1963-64 season Tuesday at a meeting in the gymnasium. They are Barbara Lakey and Phillis Scarborough. Edd Farmer is their coach.

Majorettes and cheerleaders were named for the 1963-64 school year at Hamlin High School last week. Pep squad majorettes were Patricia Harkey, Barbara Gram and Junie Jordan. Pat Pope is alternate. Cheerleaders are Barbara Lakey, Phillis Scarborough and Nancy Ford. Shelia Stone is alternate.

Mrs. Kenneth Riddle was named Hamlin's Woman of the Year for 1963 at the regular meeting of the Business and Professional Women's Club Tuesday evening in the primary cafeteria.

The Boy Scouts of Troup 43, are having a meeting of parents and all others interested in the Scouting program, Monday, May 20, at 7 p.m. This meeting is for the purpose of choosing candidates for The Order of The Arrow Kotso Lodge.

NEWS AND VIEWS . . .
And What Have You
Continued from page 1

"preaching" we will pass along this bit of humor that we ran across in the Gaines County News.

A Montana editor ran a "poll" of his readers, and these are the subjects the readers said they would like to see printed most often:

1. My name.
2. A front page article showing how crooked the city government is most of the time.
3. My wife's name.
4. A feature article showing 25 ways on how to cheat on income tax form.
5. My kids' names.
6. A local news item about the affair my neighbor is having.
7. A classified ad offering a new home for sale for \$4,000.
8. More news about law breakers.
9. Less news about lawbreakers. I was picked up last night and I should not have to pay a fine.
10. An editorial condemning high school teachers for being too liberal with "F's's".
11. A wedding picture of the groom instead of the bride when he is more handsome than she is pretty.
12. A sports picture of me when I bowled 200.
13. More advertisements on things merchants are giving away.
14. A front page spread about the deadbeat who lives across the street from me who just had his car repossessed.
15. A front page picture of my neighbor being hauled out of a bar by his wife.
16. Forget the one about the car; I just got word from the finance company that they're coming after my car.

Neinda Philosopher Finds One Aspect of Watergate That Has Been Overlooked

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route One, like nearly everybody else, talks about Watergate this week, in his own way.

Dear editor:
Everybody's talking about the far-flung effects of Watergate on the political scene, but there's one aspect of it in another area I haven't seen mentioned anywhere.

It's the effect it's going to have on school children. How are they ever going to remember on their history exams who was Secretary of Defense for 3 weeks in 1973 before he switched to head of the FBI, or was it the other way around? Who was Secretary of

Health, Education and Welfare for two months before he became . . . thunder, I've lost track of it myself.

Somebody's got to stabilize this government if we don't want nine-tenths of the kids failing history in the next few years. Think back, what sort of grade would you have made if somebody was re-locating the state capitals every two or three weeks, with the Texas capital say moved to Idaho and the Idaho capital moved to maybe Hamlin, and so forth?

Of course you could always be fairly sure where the national capital was. Name one state that'd allow it in.

To change the subject, I read in a newspaper last night that the telephone company people

in some places have raised the price of a call in a pay phone from a dime to fifteen cents. You reckon they're about to price themselves out of the market?

I mean, you jump the cost of conversation by 50 percent and you're bound to bring on a boycott by the housewives of this nation.

I can see their picket signs now: STOP TALKING. Or DON'T ANSWER, LET IT RING. There will be a dead silence throughout the land. It's awful to contemplate.

Yours faithfully,
J. A.

THE LIGHT

"Thy word is a lamp unto my feet, and a light unto my path."

The bible, God's word, has often been compared to a light, for it penetrates the darkness and reveals God to man. It is the light that leads man down life's pathway. For those who study it, it reveals not only the past, but also the future.

"The entrance of thy words giveth light; it giveth understanding . . ."

Attend church and hear God's leaders expound on His word.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Plans Being Made for Fall Diapause Spray Program

The Jones County Boll weevil Diapause Association is making plans for the 1973 fall weevil Diapause Spray program in Jones County, according to President Stuart Propst. Two visitors from John White's office were in the county agent's office this week and assured county agent Kirby Clayton and Propst that adequate funds would be available for the Jones County Spray Program this fall.

The State Entomologist requested, however, that a greater percentage of farmers participate in the program to make it more effective. They also requested that spray blocks be set up in those communities where there was no participation last year especially in the heavily boll weevil-infested communities.

Propst stated that boll weevil counts were down by an average of 80 percent in all sprayed fields at the end of last year's spray program. This means that less weevils went into hibernation last fall and many of those that did go into hibernation probably did not survive the hard winter. Three years with this type of program

Walter Willis of New Orleans, La., brother of Edna Cooper, returned home recently from a 16-day vacation in Europe which included Paris, France; Vienna, Austria; Athens, Greece; and Rome Italy.
